Dear Parent,

New Four Form Entry Primary School

We are putting a bid in to the Department for Education to establish a NEW primary school. The new school would be built on land in Springfield Road. As part of our bid we need to find out if there is support for us to establish a new school and if parents would send their children to the school. There is a shortage of primary places in Hillingdon and if we convince the Department for Education that enough parents will use a new school in our area it will support the development of the new school for our community.

Please see the attached form where you can express a general interest (for friends and family) as well as interest for a particular child. Our case will only be successful if we can demonstrate the need for a new school. Please support us by signing the form and returning it to us by Monday 16th January 2012.

Yours sincerely

Mr R S Sandhu
Headteacher

HILLINGDON

Healthy School
